**NOTES**

\*\*\*\*\*ALL HANDS\*\*\*\*\*

1. Plan on the normal \$20 (or \$5 per meal) for meals.
2. Facemasks are required again indoors on Subase regardless of vaccination status. This will be an overnight drill.
3. **We will be beginning the required classroom safety instruction required by NHQ for the Marksmanship training. All Sea Cadets will attend the safety courses, whether they will be shooting or not, need to bring with them a 7x5-inch ruled notebook specifically for this purpose. This will also serve as your shooting journal going forward.** All hands will bring Dress Blues (and/or be fitted for Dress Blues) this drill.
4. All hands should have coursework submitted in Polaris and be ready to take your exams if necessary.
5. Check the website under Command Notes to see if you need to re-enroll this drill. Cost for cadets is \$120 in cash or check (made payable to USNSCC).
6. All Cadets must bring a canteen for water – This is part of your uniform, like your ID card.
7. **Come prepared for drill – plan appropriately so that you are not out of uniform when it comes to uniform: PROPER HAIRCUTS – Faddish haircuts are not authorized, canteen w/belt, jewelry (such as earrings) and hair color, nail polish, etc. Remember that sunscreen is “part of the uniform” as is your ID and your canteen.**
8. Go to the <http://nautilus571division.com> website for more information on upcoming events.
9. If you went on Summer Training be prepared to share your experiences, takeaways and suggestions for others who may want to attend.
10. **If you need to schedule time off from work to attend drill, please remember to do so in time.**
